TOP FLOOR UNIT with VIEW OF THE COUTYARD ~ DAYCARE on SITE - This gorgeous top floor unit sits at the back of the complex overlooking the quiet east courtyard. Perfect because it floods the home with natural light all day and keeps the home cool during the day and in the evening, and perfect because there is much less activity here. Also important to note about the location is that you can walk from your car, up the stairs and right into your unit, no mile long walks to get to your door. Inside the home is FRESH and well cared for. FRESH paint and FRESH carpet, along with newer windows and an added dishwasher make this a truly FRESH space. Incredible well cared for and ready to move in. There's a large laundry down the hall, a daycare center on site and an incredible recreation facility with fitness center and pool, perfect to keep the kids busy and healthy. There are great schools, shopping and transportation close by as well, so it makes for a perfect first home...or last home! Either way welcome home!
